Tydskrif van die Nuwe-Testamentiese Werkgemeenskap van Suider-Afrika

ISSN 0254-8356; E-ISSN 2518-4628

Neotestamentica is the Journal of the New Testament Society of Southern Africa (NTSSA), which has been published annually since 1966 and currently provides two issues per annum with a total of about 450 pages. The journal showcases South African and African scholarship, including the publishing of contributions from the annual conference of the NTSSA. Submissions by international experts in the field of New Testament are also most welcome. A critical book review section is included in each issue.

The journal has 125 print subscribers. Around 75 of these represent international libraries in prestigious universities worldwide. Of the latter many are now moving from print to electronic subscription. Members of the NTSSA, also, have opted to start reading their journal electronically. They have free online access to the Neotestamentica homepage on the Project Muse platform.
